Dear BASE Families~

Registration dates for the 2022-2023 school year have been set. Kindergarten and 1st-6th grade registration will begin at the same time.

Registration for families who are signing up for full time care will begin on Tuesday, March 8th. Full time is defined as children who attend morning and afternoon BASE sessions each week consistently throughout the school year. All other BASE families that need care will have the opportunity to register starting March 22nd. All registration begins at 9:00am.

Registration will take place at the Park District of La Grange only. No registrations will be accepted at the BASE school locations. The registration fee is \$50.00 per child. Registration dates are as follows:

March 8th Full time registration only begins
March 22nd Open registration begins

A separate registration form must be completed for each child. Forms listing more than one child will not be accepted. Payment must also be submitted at the time of registration.

Registrations will be processed in the order we receive them. Please note that space is limited, therefore, once we reach capacity you will be put on a waiting list. Submitting a registration form does not guarantee a spot. When your registration form and payment are processed, we will email a confirmation of your enrollment. Families that are put on the wait list will also receive notification via email. It is important that you include a current email address on your registration form.

As stated above, registration begins for full time families on Tuesday, March 8th and takes place at the Park District of La Grange. The Park District's front desk hours are 8:00am to 9:00pm Monday-Friday, Saturday 8:00am to 6:00pm, and Sunday 10:00am-5:00pm.

If you have any questions, please feel free to call or email myself or Melissa. We look forward to providing your children with excellent care in a safe and fun environment in the coming 2022-2023 school year.
